

RULES and REGULATIONS

Relating to Village Code Chapter 178 Articles I & II

Pursuant to Chapter 20 of the Code of the Village of Irvington, N.Y., I hereby adopt the following rules and regulations governing the removal of accumulated garbage and rubbish.

- 1. Garbage and rubbish receptacles shall be kept in good repair with no ragged edges and the same shall be replaced by the owners thereof upon notice from the Superintendent that the same are hazardous and dangerous to the men collecting the contents thereof.
- 2. Garbage shall not be placed in paper bags, cardboard cartons, bushel baskets, or oil drums but only in **watertight receptacles or approved plastic bags** as prescribed by Chapter 20 of the Code of the Village of Irvington, New York.
- 3. Wire baskets placed at various locations by the Department of Public Works are intended as receptacles for the deposit of small items of trash or rubbish by pedestrians. Occupants of any residential buildings and owners and occupants of commercial buildings or establishments, their agents, servants or employees, **shall not deposit garbage or rubbish therein nor shall undelivered newspapers be deposited in bulk therein by any person.**
- 4. (a) No more than a total of three (3) watertight receptacles of garbage or bundles of rubbish will be collected by the Department of Public Works from any commercial establishment on any regular collection day. No more than three (3) such receptacles or bundles shall be placed on the sidewalk for collection day by any commercial establishment, agent, servant or employee thereof.
(b) Each such receptacle shall be watertight and made of suitable material equipped with adequate handles for lifting purposes and with a suitable lid or cover, as well as approved plastic bags, and shall have a capacity not in excess of 32 gallons or when filled shall weigh no more than seventy-five (75) pounds.
- 5. All of the above refuse shall be placed at the curb on the sidewalk on regular collection days, before 7 AM but not prior to 6 PM the day before.
- 6. Garden debris, flowers, cut grass, sweepings, rakings, clippings, small branches, such as annual growth from hedges, bushes and shrubbery shall be placed in **biodegradable bags** or placed at curbside for collection. Clippings and small branches from hedges and shrubbery, which are too large to place in such containers, may be made up in bundles, securely tied, not longer than four (4) feet and weighing not more than 50 lbs. **All the above bags or bundles shall be picked-up on Mondays (North Side) & Tuesdays (South Side) with Main Stree as dividing line.**
- 7. Tree branches must be cut or broken up and left loose in piles not larger than forty-eight (48) inches long, eighteen (18) inches wide and eighteen (18) inches high and not to exceed 50 lbs., to be placed at curbside for collection.
- 8. Appliances, T.V.'s & Computer Monitors shall be collected at curbside on Thursdays, scheduling is necessary. Please call 591-6044 to schedule pick up. All other Bulk Material will be picked up on Regular Collection days.

- 9. During the Fall season leaves shall be placed at curbside loose. The piles must be accessible as they are picked up by machine. Please do not place piles behind raised curbs or near trees, signs, fire hydrants or fences. Also do not place piles on top of water or gas shut-offs, drainage culverts or any other structure that could possibly be damaged upon removal. The Village composts all leaves and garden clippings. **It is unlawful to burn leaves at any time in the Village of Irvington, N.Y. Branches should not be mixed with leaves. No person, Landscape Co.or Contractor shall dispose of leaves, garden cuttings or refuse of any kind by dumping same in the streets, gutters, catch basins, sewers or other Rite of Ways, including sides and shoulders of Roadways or anywhere in the Village.**
- 10. **Private carters and/or contractors shall not transfer or remove garbage or rubbish, or any waste material from one vehicle to another upon any Village street or public place.**
- 11. **The following materials will not be collected.** Removal must be made by a private carter, contractor or gardener:
(a) Trade wastes, includes auto parts, commercial meat wastes, bundles in excess of four (4) feet in length, eighteen (18) inches in height or 50 lbs. in weight, logs, tree trunks or limbs in excess of three (3) feet in length and six (6) inches in diameter, large branches and stumps, construction and house renovation debris, soot, sawdust, wood shavings, excelsior, cleaning and dyeing establishment wastes, highly combustible materials, toxic materials, and loose ashes.
(b) It is important that the residents understand that the following items **will not be collected:** Tree stumps, alterations, constructions and house renovation debris, such as lumber, stones, rock, masonry, plaster, sheet rock, etc. **These items shall be disposed of by the homeowner or contractor performing such work.**
- 12. Cleaning and dyeing waste from cleaning and/or dyeing establishments will not be accepted at the Transfer Station.
